JUNIORS NEWSLETTER

10 February 2019

Important News

PARENTS MEETING 6pm 21st February in the gym. Please can as many parents as possible please attend. We will be sharing updates on what's happening in 2019. It will also give you an opportunity to ask any questions of the committee.

SAFEGUARDING REMINDER The safety of everyone at our club is a priority. Adults of the opposite sex are not allowed in the changing rooms whilst the children are getting changed. If you are seen in this situation you will be asked to leave.

Moving forward Coaches are not able to provide lifts to children UNLESS there are two adults present in the vehicle, again this is for safeguarding reasons and protects both the coaches and children.

Thank you for your support.

WELFARE OFFICER

If you have any welfare concerns regarding any of our children please speak to Hannah Makinson.

FUNDRAISING APPLICATIONS: If you are a dab hand with words and good at form filling, why not dedicate a few hours to helping the juniors submit some fundraising applications? We have some big plans for the club this year and any help is much appreciated. Alternatively, does your company/employer provided a £4£ matching scheme which we could tap into. Any support you can provide is beneficial to our kids and very much appreciated.
